February 15, 2010

**To:** Sponsors of the CWP Consortium Project

The twenty-sixth annual Project Review Meeting of the Consortium on Seismic Inverse Methods for Complex Structures at the Center for Wave Phenomena will be held May 17-20, 2010, on the campus of the Colorado School of Mines, Golden, Colorado.

## Meeting Schedule

**TUTORIAL.** A tutorial will be offered the afternoon of Monday, May 17, beginning at 1:00 pm. CWP is pleased to announce that the 2010 tutorial presenter will be Gerhard Pratt, professor and head of the Department of Earth Sciences, The University of Western Ontario. The title of Professor Pratt's tutorial is "What Else Can the Seismic Wavefield Tell Us?"

The tutorial is free to all sponsor representatives and other guests attending the Annual Meeting; however, special registration is required by **April 16**. More detailed information regarding the tutorial will be posted at [www.cwp.mines.edu/meetings.html](http://www.cwp.mines.edu/meetings.html).

**OPENING RECEPTION.** The meeting's opening reception will be held Monday evening, May 17, from 5:30-7:30 at the Foothills Art Center, 809 15th Street, Golden. Light refreshments will be served.

**SESSIONS.** Meeting sessions will begin at 8:00 a.m. on Tuesday, May 18 and will end at approximately 1:00 p.m. on Thursday, May 20. All sessions will be held in the Ben Parker Student Center.

**MEALS.** Breakfast will be offered for meeting attendees in the Student Center on Tuesday, Wednesday and Thursday mornings from 7:00-8:00 a.m. CWP will host luncheons on both Tuesday and Wednesday.

## Special Event: Dinner Honoring Norm Bleistein

We invite all meeting attendees to attend a celebratory dinner the evening of Thursday, May 20, 6:00 p.m. to honor Norm Bleistein, CWP co-founder and long-time director, as he celebrates his 70th birthday. We encourage you to arrange your travel plans to join CWP faculty, students, alumni and other special guests for this evening of celebration and recognition of Norm's many years of academic and professional accomplishments. Please indicate your intention to attend the dinner by **April 16**, as you RSVP for the tutorial and meeting.

## Accessing Meeting Materials

For the convenience of meeting attendees, the contents of the Project Review book will be available prior to the meeting at the CWP password-protected sponsor-only Web page (go to URL [www.cwp.mines.edu](http://www.cwp.mines.edu), click on Sponsor Web site). Offered again this year is the option for attendees to view pdf abstracts and overheads on their laptop computers during presentations using a USB flash drive, which will be provided. A limited number of bound book copies will be available.
